Antoine Mach

Direction & Research

Holding a Master of political science of University of Geneva, Antoine Mach (1968) has been a university assistant, freelance journalist and researcher for the human rights foundation Antenna International. He is the author of *Swiss business and human rights: Confrontations and partnerships with NGOs* (Fribourg University Press, 2001).

Antoine is co-founder and director of [Covalence](#). He takes care of the research department since the company was created in 2001. He conceptualized and co-developed with Marc RoCHAT the EthicalQuote reputation scoring system and CSR news database.

Representing Covalence Antoine has been named in Ethisphere [2009's 100 Most Influential People in Business Ethics](#), finalist of the [Social Entrepreneur of the Year 2005 award in Switzerland](#), and laureate of the [Cantonal Sustainable Development Prize](#) (Geneva) in 2004.

He's also a member of the Steering Committee of [Equal Salary](#) and is a co-founder and member of the Executive Committee of [Sustainable Finance Geneva](#), an association that promotes sustainability and responsibility within the Geneva financial community.
