### **Marc Rochat**

#### **Marketing & Sales**

Marc Rochat (1970), educated in social sciences, is a former broker in financial derivatives.

Co-founder of [Covalence](#), Marc co-developed with Antoine Mach the EthicalQuote ethical reputation scoring system and CSR news database tracking the world's largest companies.

Marc heads marketing & sales and co-develops Covalence's products and services targeting the financial community: Socially Responsible Investment products such as funds, indexes, portfolio ratings or structured products. In 2002, he designed and conducted a survey of major Swiss pension funds' managers on their social investment sensitivities and practices.
